

Personalized Protein Powder is a high-quality, nonfat protein blend that helps build and maintain lean muscle mass and supports your weight management and fitness goals. Increased protein intake helps you feel fuller longer and maintain your energy level between meals.

DIRECTIONS: Gently shake the canister prior to each use as contents may settle. Take 1 to 4 tablespoons per day. This plain, unsweetened formula can be added to your Formula 1 shake or stirred into other foods and beverages, including cereal, yogurt, sauces and soups.

Herbalife Nutrition Recommends: Women should add up to 2 tablespoons (10g of protein) of Personalized Protein Powder to each Formula 1 shake, and men should add up to 3 tablespoons (15g of protein) to further support weight loss.

30-day money-back guarantee. This exclusively formulated product is only available through Herbalife Nutrition Independent Distributors.

NOTICE: Use this product as a food supplement only. Should be used as a protein snack or combined with Formula 1 shake when using this product for weight management.
